# Enrich a Life Adopt a Dancer

## Enrich a life – ADOPT a dancer

Inspired by the brilliance of international choreographers and composers, our dancers create an effortless tableau of graceful and athletic movement on stage. Years of dedication, hard work and aching feet have brought these dancers to Alberta Ballet and to the stages of the Jubilee Auditoria.

Our highly trained dancers, handpicked from as far away as Japan, Australia, England, France, South Korea, and Italy – and as nearby as our own province – live in Calgary and work as a team five days a week, 40 weeks per year.

Choose a dancer who inspires you, and give something to them by making a monthly contribution in that dancer's name. Your support, encouragement and applause will let your dancer know how much he or she is valued. You'll read about your special dancer's career, and follow his or her story as it unfolds.

By adopting a dancer through Alberta Ballet's **Adopt A Dancer** Program, you are enriching the life and career of one of our young artists and contributing to their training and creative growth. Your support can be made by way of a donation today, or through a sustaining contribution on a monthly basis.
