INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Alberta Ballet School:

Opinion

We have audited the financial statements of the Alberta Ballet Company operating as Alberta Ballet School (the "School"), which are presented in the prescribed format by Alberta Education and which comprise:

- the statement of financial position as at August 31, 2025;
- the statement of operations for the year then ended;
- the statement of operations segment disclosure for the year then ended;
- the statement of cash flows for the year then ended;
- the statement of changes in net assets for the year then ended;
- the Schedules 1,2,3,4 5 and 6;
- and notes to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the School as at August 31, 2025, and the results of its operations, changes in net assets, and its cash flows for the year ended in accordance with basis of accounting in Note 2 to the financial statements.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the School in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than Financial Statements and Auditor's Report thereon

Management is responsible for the other information. The other information is comprised of the information, other than the financial statements and our auditor's report thereon, included in the Annual Education Results Report document.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

We obtained the information, other than the financial statements and the auditors' report thereon, included in Annual Education Results Report document as at the date of this auditors' report. If, based on the work we have performed on this other information, we conclude that there is a material misstatement of this other information, we are required to report that fact in the auditors' report. We have nothing to report in this regard.

Emphasis of Matter

We draw attention to Note 2 in the financial statements, which describes the applicable financial reporting framework and the purpose of the financial statements.

As a result, the financial statements may not be suitable for another purpose.

Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Statements Management is responsible for the preparation and fair presentation of the financial statements in accordance with the basis of accounting in Note 2 to the financial statements, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the School's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the School or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the management's financial reporting process.

Auditor's Responsibility for the Audit the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due
 to fraud or error, design and perform audit procedures responsive to those risks, and obtain
 audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of
 not detecting a material misstatement resulting from fraud is higher than for one resulting from
 error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the
 override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the School's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the School's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the School to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to the Financial Statements

Year ended August 31, 2025, with comparative information for 2024

1. Nature of the business:

Alberta Ballet Company (the "Company") is Alberta's dance company. As a major professional performing arts company with an internationally renowned ballet training institution, it is a rare artistic institution to serve a provincial mandate. For over five decades, the Company has connected audiences with world-class live dance and trained current and future generations of dancers. The Company includes a division operating as the Alberta Ballet School (the "School"). The Company focuses on supporting activity that makes ballet more approachable, accessible, and inspirational. Its mission is to ignite the curiosity and imagination of people in all communities across the province, championing their stories and experiences through dance training, creation, and performances. The Company is a not-for-profit organization incorporated under the Societies Act of the Province of Alberta and is a registered charity under the Income Tax Act.

2. Significant accounting policies:

Significant accounting policies are summarized below:

(a) Basis of presentation:

These financial statements have been prepared in accordance with Canadian Accounting Standards for Not-for-Profit Organizations ("ASNPO"), except that these financial statements reflect only the assets and liabilities of the division of Alberta Ballet Company known as the Alberta Ballet School and do not purport to show the financial position or operating results of the Company. The financial statements are prepared for the reporting requirements of Alberta Education, as outlined in the Alberta Education Guidelines for the Preparation of the Audited Financial Statements and Supporting Schedules for Funded Private Schools.

(b) Fund accounting:

All revenues and expenses related to program delivery, operation of the Alberta Ballet School and administrative activities are reported in unrestricted net assets. All transactions related to capital asset acquisitions and disposals are reported in investment in capital assets.

(c) Revenue recognition:

The School follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the period in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable, if the amount to be received can be reasonably estimated and collection is reasonably assured.

Notes to the Financial Statements, page 2

Year ended August 31, 2025, with comparative information for 2024

2. Significant accounting policies (continued):

(d) Deferred revenue:

Tuition and residence fees are deferred and recognized on monthly basis as the classes are provided. Restricted fundraising and donations, and grant revenues are deferred until the related expenditures occur.

(e) Deferred capital allocations:

Restricted donations the School receives for capital purposes are recorded as unamortized capital allocations when received or receivable and are taken into income each period in proportion to the annual amortization of the related assets for which the capital allocations were received.

Related net investment income is also deferred if specifically required to be added to the principal balance of the contribution until utilized.

(f) Donations in-kind:

Donations in-kind of capital assets and contributed materials and services are recognized at the fair value at the date of contribution. Volunteers contribute significant time every period in assisting the School in a variety of areas. Because of the difficulty of determining their fair value, contributed services related to volunteer activities are not recognized in the financial statements.

(g) Cash and cash equivalents:

Cash and cash equivalents include cash on hand, balances with banks and short-term deposits with original maturities of three months or less.

(h) Long-term investment:

Investments are classified as long-term restricted investments and cash if they have original maturities of more than one year from the Statement of Financial Position date and are subject to external restrictions limiting their use. The long-term investment is recorded under other assets on the statement of financial position.

Notes to the Financial Statements, page 3

Year ended August 31, 2025, with comparative information for 2024

2. Significant accounting policies (continued):

(i) Inventory:

Inventory consists of merchandise and is valued at the lower of cost, on a weighted average basis, and net realizable value. Previous write-downs to net realizable value are reversed to the extent there is a subsequent increase in the net realizable value of the inventory.

(j) Capital assets:

Capital assets are recorded at cost at the time of the acquisition. Contributed capital assets are recorded at fair value at the date of the contribution. Capital assets are amortized as follows:

Leasehold improvements
Office furniture, fixtures, and equipment
Computers and software
School costumes

Straight-line over term of lease 20% declining balance 30% declining balance 5 years straight line

(k) Allocation of revenue and expenses:

The Company allocates certain expenses to the School by way of a direct expense allocation. The expense allocation is an estimate of the cost of shared resources and includes, but is not limited to, the President & CEO, CFO, finance and human resources personnel as well as information technology and marketing. The allocation is determined by management of the Company.

The Company allocates actual grant revenue to the School based on the initial grant applications and the proportion determined by management of the Company of the portion attributable to the School.

Notes to the Financial Statements, page 4

Year ended August 31, 2025, with comparative information for 2024

2. Significant accounting policies (continued):

(I) Financial instruments:

Financial instruments are recorded at fair value on initial recognition and subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. The School has not elected to carry such financial instruments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the effective interest rate method.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the School determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the School expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

(m) Long-lived assets:

The School performs impairment testing on long-lived assets which include leasehold improvements, office furniture, fixtures and equipment, computers and software and costumes whenever events or changes in circumstances indicate that the carrying value of an asset, or group of assets, may not be recoverable. Impairment losses are recognized when undiscounted future cash flows from use and disposal are less than the asset's carrying value. Any impairment loss is measured as the amount by which the carrying value exceeds the fair value and would be included in the statement of operations for the period.

(n) Foreign currency translation:

Transactions denominated in foreign currencies are translated into Canadian dollars at the approximate rate of exchange prevailing at the time of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated to Canadian dollars at the period exchange rate. Non-monetary assets and liabilities are translated at the approximate rate of exchange prevailing at the transaction date.

Notes to the Financial Statements, page 5

Year ended August 31, 2025, with comparative information for 2024

2. Significant accounting policies (continued):

(o) Use of accounting estimates:

The preparation of the financial statements in accordance with ASNPO requires management to make accounting estimates and assumptions that affect the reported amount of assets, liabilities and contingencies at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Significant items subject to such estimates and assumptions include grant allocations, management fee, and the useful lives of capital assets. Actual results could differ from and affect the results reported in these financial statements.

3. Cash and cash equivalents:

Included in cash and cash equivalents is the following restricted cash:

Restricted cash	2025	2024	Restricted by

Notes to the Financial Statements, page 7

Year ended August 31, 2025, with comparative information for 2024

8. Deferred contributions:

Deferred contributions represent tuition, grants, fundraising and donations restricted to future expenditures. The components of deferred contributions are as follows:

	2025	2024
Tuition	\$ 1,756,129	\$ 1,239,972
Government grants	538,412	679,127
Fundraising and donations	49,834	32,123
	\$ 2,344,375	\$ 1,951,222

9. Deferred capital allocations:

Deferred capital allocations relate to restricted contributions the School receives that are related to the payment of future professional development expenses.

Changes in the deferred capital allocation balance are as follows:

	2025	2024
Opening balance Less amounts recognized as revenue	\$ 43,725 (2,630)	\$ 45,867 (2,142)
Ending balance	\$ 41,095	\$ 43,725

10. Unamortized capital allocations:

Unamortized capital allocations relate to restricted contributions the School receives that were used for the acquisition of leasehold improvements and equipment.

Changes in the unamortized capital allocation balance are as follows:

	2025	2024
Opening balance Less amounts recognized as revenue in the year	\$ 26,884 (5,986)	\$ 82,664 (55,780)
Ending balance	\$ 20,898	\$ 26,884

Notes to the Financial Statements, page 8

Year ended August 31, 2025, with comparative information for 2024

11. Other Government of Alberta, Federal Government and/or First Nations, and Other Revenues:

During the year ended August 31, 2025, \$562,440 (2024 – \$562,440) of the Alberta Foundation for the Arts Professional Performing Arts Organizations ("PPAO") grant awarded to the Company was allocated to the School and included in other Government of Alberta revenue. The PPAO grant is based on community-derived revenue and funds all aspects of the Company, including the School.

During the year ended August 31, 2025, \$200,000 (2024 – \$200,000) of the Canada Arts Training Fund ("CATF"), through the Department of Canadian Heritage, was awarded to the School and included in Federal Government and /or First Nations revenue. The CATF grant is based on training costs and funds the Professional Division.

During the year ended August 31, 2025, \$172,569 (2024 – \$116,482) of the Calgary Arts Development Authority ("CADA") Operating Grant was allocated to the School and included in Other revenue. The CADA Operating Grant is based on the estimated weighting of highest Living a Creative Life focus areas: youth, education, arts, and incubation and funds the Open and Professional Divisions of the School.

During the year ended August 31, 2025, \$50,000 (2024 – \$50,000) grant from the Shaw Family Foundation was awarded to the School and included in Other revenue. The grant helps fund scholarships for the School.

During the year ended August 31, 2025, \$49,620 (2024 – \$49,620) of the Edmonton Arts Council ("EAC") Arts Operating Grant awarded to the Company was allocated to the School and included in Other revenue. The EAC grant is based on community factors weighting and funds the community activity provided by the Company and by the School's Edmonton Open Division.

12. Consulting/Management Fees:

The Company has allocated a management fee of \$451,227 (2024 – \$429,855) to account for shared resources of the President & CEO, CFO, finance and human resources, personnel, and information technology.

Notes to the Financial Statements, page 9

Year ended August 31, 2025, with comparative information for 2024

13. Commitments:

Minimum base rent payable for premises for each of the next five fiscal years is as follows:

2025	228,446
2026	_
2027	-
2028	-
2029	_
	\$ 228,446

As of August 31, 2025, the School is actively engaged in negotiations to finalize lease terms of the school facility. Until these negotiations are concluded, the full financial impact of the new lease agreement cannot be determined. As a result, the School is unable to reasonably estimate the future lease obligation related to this lease. Management does not currently anticipate that these ongoing negotiations will have a material adverse effect on the School's financial position or results of operations.

14. Financial instruments:

The School's financial instruments consist of cash and cash equivalents, long-term restricted investments and amounts due from related parties included under other assets, accounts receivable, and accounts payables and accrued liabilities. The School is not exposed to significant interest risk or foreign exchange risk.

(a) Credit risk:

The School is exposed to credit risk, which is the risk that a counterparty will fail to perform an obligation or settle a liability, resulting in a financial loss to the School. Credit risk is assessed by management as moderate for the School. To mitigate this risk, the School's cash and investments are held with Canadian financial institutions. The School's accounts receivable is primarily due from students and corporations and are subject to normal credit risks. The maximum credit risk exposure associated with the School's financial assets is the carrying amount. The allowance for doubtful account for accounts receivable as of August 31, 2025 was \$11,655 (2024 – \$7,483).

(b) Liquidity risk:

The School is exposed to liquidity risk, which is the risk that the School will be unable to generate or obtain sufficient cash to meet its obligations as they come due. Liquidity risk is assessed by School management as minimal. Mitigation of this risk is achieved through active cash management and budgeting processes.

Notes to the Financial Statements, page 10

Year ended August 31, 2025, with comparative information for 2024

14. Financial instruments (continued):

(c) Market risk:

Market risk is the risk that changes in market prices, such as interest rates or foreign exchange rates, will affect the School's loss or the value of its financial instruments. Management's objective is to control market risk exposures of its restricted investments within acceptable parameters while maximizing return.
